A WORLD OF WONDERS

by James Dillet Freeman

If where you are
 were a faraway place,
 would you not be looking with astonishment
 at things you pass by every day—
 this sky, that tree, those flowers, these people!
 Waiting for the extraordinary,
 do not miss the extraordinary ordinary,
 the beauty of the familiar,
 the wonder of the nearby now at hand.
 You are a dweller in a world of wonders—
 and are you not the most wonderful of them all?

WHISPERS

By William L. Fischer

What is that soft whisper
 I hear within my soul?
 It speaks of love and
 Says I can be whole.
 That gentle voice divulges
 I am filled with power,
 And confides that I may
 Consult it any hour.
 When it comes to listening,
 I know I make the choice.
 But now I know that whisper
 Is God's own voice.
